25X1A	1. Corment. It is believed that units of the 58th Mech Regt of the 18th lech Div from the Artillerie Kaserne conducted exercises in the area of Fritzwalk in late February, with the exercises having terminated in early March. The officers are known, except for Colonel Levenin (fnu).	
25X1A	2. Comment. According to the elements of the 2d Light Arty Brig (UK) were detrained on 4 March. The units were possibly to practice firing west of Neuglienicke.	X1B
25X1A	3. Comment. It is assumed that units of the 12th Gds Tank Div left for exercises. The tank turret number belongs to the division. It cannot yet be said whether there are connections between these movements and the unloading of units of the 2d Light Arty Prig (US).	*
25X1A	Gomment. It is believed that units of the 16th Gds Mech Regt of the 6th Gds Nech Div were loaded in Bad Freienwalde and the tank battalion of the 17th Gds Nech Regt of the division in Eberswalde. The troops presumably transferred to conducted field exercises.
